## Dead cells boss cells guide

Dead cells 5 boss cells guide. Dead cells 4 boss cells guide. Dead cells 3 boss cells guide. Dead cells 2 boss cells guide.

Guide to Boss Loot Minor Spoiler Warning This guide may contain mild spoilers, related to articles & locations of articles. Also use InfanterAa Grenades or any other grenade you have unlocked. BC stands for "Boss Cells", which reflects the difficulty of the game and, as it were, the mechanism of "New Game Plus". So BC1 means you've beaten the game once and activated the higher difficulty, while BC0 represents the basic difficulty everyone starts at, which is not a mistake or a mistake of the players, the RNG since it is always 1 Blueprint at a time. Hand of the King (Throne) Spears SimA & Shock TelArico (Spell) & 1st Head Cell. If you can adjust your attacks to their patterns, kill them easily. Use ice grenades to freeze it and then beat it while it stands still. Secret: + 1 special suit when sacrificing mushrooms on the altar. You have to destroy them or they will explode and make a mountain of day to you. Since the arena where you will fight the final boss is very small, you will not be able to escape effectively from the explosions. So keep her as good as you can. Remember that each phase of sword combos and shurikens additional to her attacks, so keep in mind that the lower her total life and the 3 the King's HandThe last head of Dead Cells can be found in the Throne Room. This is when he starts letting his first tentA culo out from under the earth. At the same time, he'll have to move around a lot and dodge his attacks. Fire Brands is another great choice 3 a weapon to burn day. During the second phase, after having eliminated the first wave of zombies with the help of Heavy Turret and Double Crossb-O-Matic, in addition to their other attacks and bombs, The Hand of the King invoke deadly explosive flags. Mama Tick (Nest) + 1 suit in each BC difficulty. When you see a Release a bomb and let the turret do the rest. The first alternative boss can be found in the unbearable crypt, which can be accessed through old sewers, if you already have 3 boss cells. It is possible to collect all rewards in BC0, if not explained otherwise. And the final phase is the most dangerous, which starts at 25 percent health with three really moving tentacles. Be very difficult to dodge and stop the three, so just watch the patterns on the ground and jump to the platform. The giant (haven) giantkiller (body to body); giant whistle (spell) + 1 suit in each BC difficulty. Each of the four bosses requires different tactics, so there is no universal approach to all of them. If you want to know the most effective ways to kill the four bosses in the dead cells, then follow our guide below 2 for all tips and tricks. The fight consists of three main phases. Each phase begins after the time manager loses a third of his or her health. It's also a good idea to stay away from the boss as far as possible, because if your hook catches you, it can cause a lot of damage. If you can hit Conjunctivus in the process, you should set it to zero fairly quickly. The weather man, the third boss in the game resides in the clock room at the Clock Tower. Use shield to stop it or just dodge. The third phase begins in 50% of health. The whole fight will take place on the platforms and in four phases. In addition to the first phase you need to dodge your lightning shot from the eye. It'll help you reduce the overall life of the boss. For the weapon, it is better to use long-range weapons, such as bows or crossbows. Meatloaf (body to body) recommended for you currently, there are four bosses in dead cells that usually fall some invaluable when killed. Time GuardiA n (Clock Tower) Lightspeed (spell) Ice Fragments (remote) Ice Transfer Rate (mutationA 3 n) Contaminated Bottle Emergency triage (mutation) + 1 team in each BC difficulty. All the attacks of him consist of an attack with sword, a shuriken throw, a pull of hook and a teleportation. He only kept one eye in his hand, and when he begins to shine, he as a sign to retire. Conjunctivus (crypt) Tentacle (melee) A c a € Damn sword Gastronomy (mutation) Recovery (mutation) Advanced Forge (Update of Hub) + 1 Equipment in each BC difficulty. If you want to explore the game on your own and not a c lA € Do not know about Secrets or Locations of Articles, do not scroll down. The same types of attacks are repeated, but with an additional tentacle. That's all about how to defeat the four bosses in Dead Cells, but make sure to consult other Gameskinny-related guides! General Information The numbers in front of the rewards represent the number of deaths, so that A c a € 1. c a € It means first death, and so on. As for weapons to use a lail or a spear that can cause burning, which is especially effective against conjunctivus, including pomegranates. The second phase begins after you put it down to 75% of health. Aura Lacerante (Spell) 10. [1BC] 2nd Boss Cell & Recycling Tubes (Cube Update) [2BC] 3RD Boss Cell [3BC] 4th Boss Cell + 1 Outfit In each BC Daily Challenge difficulty accessible from the main menu or Prisoner's quarters When the rune of the challenge was obtained 1. Scarecrow (mausoleum) + 1 outfit in each BC difficulty. But then he will throw bombs to you, that you can escape by jumping over her head and stay behind Him. Since this boss is immune against any type of freezing effects, better use fire and damage or poisonous. In addition, do not stay too close to him or use Shout, which can stun. The best strategy against concierge is to use heavy turret and pomegranates. Although it is not hard to beat Concierge, be good to know what to expect from your side. The Concierge is quite slow and its most powerful attack is probably the Fire Strike that sends a wave of on the ground. Like the previous chief, the king's hand has three main phases and two transitional ones, where to fight against the hordes of the A c lite zombies. In the first phase, its two main attacks are DASH and SLASH that can be easily dodged. This boss is extremely quick and she uses teleportation3 so it will be very difficult to dodge her attacks. Swift Sword 5. If you are, however, looking for a specific item or are stuck finding something, feel free to take a look. In this short GuAa, summarizeA c for you, what plans, each boss fall for you in consecutive deaths. The best weapon for this fight is an explosive crossbow that fires explosives that inflict a lot of day from the distance. Concierge (Black Bridge) Flint (body to body) and deafA o Runa - Heavy crossbow impaler (body to body) Melee (Mutation) MUMO (mutation3 n) Alienation 3 (mutation 3 n) (mutation 3 n) + 1 attire in each BC difficulty. Learn about their vulnerabilities, which can be used to quickly deal with all of them. The ConciergeYou will meet the first boss on the Black Bridge. So take care of those banners and hopefully survive through the third and final phase. In the third phase, the boss will add a hand strike that can be easily dodged by jumping at the top of the platform. Spoiler Minor Final Game: [4BC] 5th Boss Cell. "As soon as the wave dissolves, it returns and ends again! — Each of the four bosses leave behind some excellent rewards, such as weapons and equipment, that can be used to kill the strongest enemies. enemies.
